Key Facts

Mode Of Course

Community Education

Entry Requirements

A basic knowledge of computers

Qualification Aim

Absolute Beginners IT - Part B

Start Date

Course dates to follow Absolute Beginners IT - Part A

Course Overview

As a continuation of our Absolute Beginners IT this 7 week course goes on to learn about the internet and how to send emails - also how to be safe while using the internet. Students will also explore how to create simple posters and manipulate images.

Course Structure

Students who wish to further their knowledge can go on to Beginners IT at a higher level, which covers all the basics of computing including database and spreadsheets.

Qualification Aims

On completion of the course you will be rewarded with a college IT certificate.

Assessments/Examinations

Continuous assessment throughout the course.

Cost/Equipment

Tuition Fee: £55

Free tuition is available to those in receipt of certain means tested benefits or to their un-waged dependants. If you are not on benefits but find it difficult to pay any course related costs because of financial hardship, contact Student Welfare on 01843 605048 to make an appointment with a welfare advisor.

Entry Requirements

You will need to have basic knowledge of computers i.e. Absolute Beginners IT part A.

Start Date

Dates will follow on from the Absolute Beginners IT Part A course.
