Key Facts

Mode Of Course

Full-time Courses

Entry Requirements

VRQ Level 2 in Motor Vehicle (or equivalent)

Qualification Aim

Automotive Vehicle Maintenance VRQ Level 3

Start Date

September 2010

Course Overview

This course allows you to acquire advanced motor vehicle competencies in a college-based environment, which simulates working practice.

Course Structure

You will have to complete seven units, all of which are assessed by observation in the college workshop. Underpinning knowledge is tested by completing assignments in class, verbal questioning and City & Guilds on-line GOLA exams.

The units are:

- Housekeeping
- Health and Safety
- Working with Others
- Inspect Vehicles
- Diagnose and Rectify Vehicle Engine System and Component Faults
- Diagnose and Rectify Auxiliary Equipment Electrical Faults
- Diagnose and Rectify Vehicle Chassis Systems and Component Faults.

Qualification Aims

The qualification aims are:

- City & Guilds VRQ Level 3 in Vehicle Maintenance
- Functional Skills in Maths and English

This course can lead to work in the local motor vehicle repair industry especially if used to progress to the MV repair & Maintenance NVQ Programme.

Assessments/Examinations

Continual assessments are carried out in both the theory and practical aspects of the course. Examinations are on-line with City & Guilds
